|--|---|--|---|---|
| Family and<br>Community<br>Involvement | Parent and Community events continue to have a high attendance rate for Grandparent's Day, Community Thanksgiving meal, Open House, and Meet the Teacher but low attendance when the event is purely informational. | Parents want to be involved when the activity includes demonstrating their excitement for their child's achievement. Teachers communicate with parents using planners, email, newsletters, phone conversations, and one-on-one meetings.     | <ul> <li>Increase parent involvement in the academic, socio-emotional progress of their child;</li> <li>Have STEM/Literacy Night at the Elementary school and involve school community planning.</li> <li>Plan meetings with parents and community members on how to keep our children safe.</li> </ul> | <ul> <li>Sign in sheets and personal observations</li> <li>Parental concerns and ideas</li> <li>Parental survey</li> <li>Work closely with the Women's Crisis Center</li> <li>Work with YK         Communications to bring a Cyber Safety Program and offer daycare services for children while parents attend the meeting.     </li> </ul> |
| School Context<br>and<br>Organization  | Procedures and operations are specific and known by the person who does the job, however cross-training and organizational procedures need to be developed.   | Staff is competent and meets the needs of students and supporting staff.   | <ul> <li>Develop and implement a discipline management strategy (PK-1 and 2-5) that will be consistently and fairly administered.</li> <li>Develop procedures for maintenance and operations throughout the school's staff.</li> </ul>  | <ul> <li>Discipline records</li> <li>Attendance record</li> <li>Operational manuals and procedural documents developed and used.</li> </ul>   |
| Technology                             | Our school is growing in the use of Chromebooks in all grade levels.
